

G Em C Am  
It was the roar of the crowd when the bad man was put down  
G Em C Am  
All those people running through the streets I said oh god set me free  
G Em C  
Oh god set us free  
G Em G  
Get this blood off of me

G Em C Am  
It was then that I felt I could no longer speak  
G Em C Am  
Every muscle was aching all the way down to my feet  
G Em C Am  
And I fell to my knees and I closed my eyes and said Jesus Christ are you listening

G Am G  
Ooh Ooh Ooh  
G Am C  
Ooh Ooh Ooh Ooh  
G Am G  
Ooh Ooh Ooh  
G Am C  
Ooh Ooh Ooh Ooh

G Em C Am  
And I still don't know what the hell is going on

G Em C Am  
So I sit in the basement and write useless songs  
G  
Well what am I supposed to do  
Em  
How am I supposed to act  
C Am  
What can I do to change the things that set us back

Am Em  
Who will be mercenary  
Am Em  
Who will start the plan  
Am Em  
Who will be there at the front  
Am Em  
When we give the command

G Am G  
Ooh Ooh Ooh  
G Am C  
Ooh Ooh Ooh Ooh  
G Am G  
Ooh Ooh Ooh  
G Am C  
Ooh Ooh Ooh Ooh

G Em C Am  
And it's thoughts like these that keep me on my knees  
G Em C Am  
And it's words that itch that I won't ever hold in
