PAROLES

Fell in love
With a tennessee girl
My morning dove
A single strand or pearls
Fell in love... with a tennessee girl

I asked for water
She brought me gasoline
I asked for water
She brought me gasoline
That's the meanest gal... I've ever seen

Big Black Mamba
You got me moanin' low
Big Black Mamba
You got me moanin' low
Dirty mis-treater from the stars of Texaco

Well the way she moves
Got me bowing my head
Well the way she moves
Got me bowing my head
Old misfortune... snake eyes in her hands

Black diamond baby
Reap them seeds you sow
Black diamond baby
Reap them seeds you sow
Old misfortune... looking for a home

Big Black Mamba
You got me moanin' low
Big Black Mamba
You got me moanin' low
Dirty mis-treater from the stars of Texaco
